The Honorable Representative Patricia A. Serpa Chairwoman
House Committee on Oversight
101 State House
Providence, RI 02903

Dear Chairwoman Serpa:

Thank you for the ongoing opportunity to share information on the progress the State is making towards improving RI Bridges and the way in which we deliver health and human services to Rhode Islanders. This submission shares data from January 29 – February 13, 2018.

Below, please find a list of updates and attachments, in addition to our standing bi-weekly submission points. As was discussed during the last Oversight Committee hearing, the standard FNS data reports will resume and be submitted with our next update to the Committee. We completely realize the importance of providing that data.
